Hancock Parents Guide:

A Parent's Guide to Helping Teenagers in Crisis Rich Van Pelt, Jim Hancock, 2009-07-13 You've seen it on the news too many times to count School shootings adolescent addictions bullying eating disorders depression and suicide cutting pregnancy There is no lack of bad news to be told about teenagers today Maybe you believe that will never happen to my child And maybe it won't But crises aren't always the stories that make the evening news The spectrum of crises an adolescent may face can range from something as seemingly harmless as getting caught cheating on a test to dealing with the breakdown of the family to acting out and getting in trouble with the law And the reality is that someone they know will likely experience some kind of crisis and that can affect your teen significantly Either way when a crisis affects your teen wouldn't you want to be prepared Rich Van Pelt and Jim Hancock both of whom have raised teenagers into adulthood and have spent decades in youth ministry and crisis management bring together their expertise and insight to help you identify and understand what a crisis is and how you can help your teen live and grow through it Inside you'll find practical responses for issues like Suicidal thoughts or behavior Accidents Cheating Death of a friend or loved one Divorce Eating disorders Hazing Pregnancy Sexual abuse Sexual identity confusion Substance abuse or addiction And more In addition to learning appropriate responses to crises you'll learn how to prevent some of these issues and how to get professionals involved when necessary Whatever it is your teen is dealing with your influence in their life is still the most important one So be prepared to walk them through their crisis with wisdom compassion and the tools to help them heal
