Hanging Out For A Living:

Hanging Out for a Living Mark Herdering, 2017-02-02 Tyler Cirella is having a bad day a really bad day This morning his wife Karen threatened to leave him for foolishly investing in yet another network marketing business opportunity His boss gave him notice that he has thirty days to turn his sales numbers around or he is out of a job The crippling migraine headaches that have plagued him for over two years are getting worse And on top of his crushing financial troubles he has found himself on the hook for a Moroccan teapot that he accidentally damaged at a local teashop In a quiet moment of desperation Tyler reminisces about a happier time in his life his high school days when his after school pastime was hanging out with his friends I wish there was a way to make money by hanging out I wish I could hang out for a living he says to himself or so he thinks In that moment Tyler encounters a most unlikely mentor Oscar a rotund twenty five hundred year old Babylonian who resides in the teapot Oscar offers to teach Tyler how to hang out for a living using a simple formula for building financially productive business relationships provided he follows a key precept that it is only possible to hang out for a living by doing so in service to others So begins *Hanging Out for a Living* an utterly unique and captivating business novel of spiritual adventure that has captured the imaginations of novice entrepreneurs and seasoned business professionals alike

2009 *Chacahoula* , **Reinventing the Good Life** Jeannette Pols , 2023-12-04 Ever since Adam Smith's musings on the invisible hand became more famous than his work on moral sentiments social theorists have paid less attention to everyday ethics and aesthetics Smith's metaphor of the invisible hand posits that social outcomes emerge by dint of the behaviours of individuals rather than their intentions or virtues Modernist and scientific approaches to determining the common good or good forms of governance have increasingly relied on techniques of generalisation and rationalisation This shift has meant that we no longer comprehend why and how people display a deep concern for everyday life values in their social practices People continue to enact these values and live by them while academics lack the vocabulary and methods to grasp them By reconstructing the history of ideas about everyday life values and by analysing the role of such values in contemporary care practices for patients with chronic disease in the Netherlands *Reinventing the Good Life* explores new ways to study the values of everyday life particularly in situations where the achievement of a clear cut or uniform good is unlikely The book presents a practice based epistemology and methodology for studying everyday care practices and supporting their goodness This analytical approach ultimately aims to generate ideas that will allow us to relate in more *Littell's Living Age* Eliakim
