Italian Gothic Horror Films, 1957-1969 Roberto Curti, 2015-04-16 The Gothic style was a key trend in Italian cinema of the 1950s and 1960s because of its peculiar often strikingly original approach to the horror genre These films portrayed Gothic staples in a stylish and idiosyncratic way and took a daring approach to the supernatural and to eroticism with the presence of menacing yet seductive female witches vampires and ghosts Thanks to such filmmakers as Mario Bava Black Sunday Riccardo Freda The Horrible Dr Hichcock and Antonio Margheriti Castle of Blood as well the iconic presence of actress Barbara Steele Italian Gothic horror went overseas and reached cult status The book examines the Italian Gothic horror of the period with an abundance of previously unpublished production information drawn from official papers and original scripts Entries include a complete cast and crew list home video releases plot summary and the author s analysis Excerpts from interviews with filmmakers scriptwriters and actors are included The foreword is by film director and scriptwriter Ernesto Gastaldi

The Slow Road North Rosie Schaap, 2024-08-20 From the acclaimed author of the wonderfully funny and openhearted NPR Drinking with Men comes a poignant wrenching and ultimately hopeful book equal parts memoir and social history that follows the author after a series of tragic losses to Northern Ireland where she finds a path toward healing Rosie Schaap had a solid career as a journalist and a life that looked to others like nonstop fun all drinking and dining and traveling to beautiful places and getting paid to write about it But under the surface she was reeling from the loss of her husband and her mother who died just one year apart Caring for them had claimed much of her daily life in her late thirties Mourning them would take longer It wasn't until a reporting trip took her to the Northern Irish countryside that Rosie found a partner to heal with Glenarm a quiet seaside village in County Antrim That first visit made such an impression she returned to make a life This unlikely place in a small tough country mainly associated with sectarian strife gave her a measure of peace that had seemed impossible elsewhere Weaving personal narrative and social history The Slow Road North is a moving and wise look at how a community can offer the key to healing It s a portrait of a complicated

place at a pivotal time through Brexit a historic school integration and a pandemic and a love letter to a village and a culture
