Quicklet on Suzanne Collins' Catching Fire (CliffNotes-like Book Summary and Analysis) Stephanie Seales, 2012-07-30 ABOUT THE BOOK The Hunger Games Catching Fire and Mockingjay the three books that comprise The Hunger Games Trilogy have more than 26 million copies in print topping bestseller lists and have captured the nation's attention Catching Fire the eagerly awaited sequel to Suzanne Collins 2008 The Hunger Games was published September 1 2009 with an initial printing of 350 000 books There are now more than 750 000 copies of Catching Fire in print With the release of the movie version of The Hunger Games and the forthcoming movie adaptation of both Catching Fire and Mockingjay the cultural relevance of these books is poised to skyrocket What many people do not know about The Hunger Games books is that the series comes from a long line of ancestors While other dystopias like 1984 and Fahrenheit 451 may immediately spring to mind there are other older works which served as an inspiration for the series Suzanne Collins cites the Greek myth Theseus and the Minotaur and the story of Spartacus as influencing her stories The actual idea for the Hunger Games trilogy came to Collins as she flipped channels between reality TV and actual coverage of the war in Afghanistan That tension the line between what is seen on screen and what is real is clear throughout the series The Hunger Games books are the third children's and second YA young adult book series in recent years to capture a large child teen and adult audience with the Harry Potter series and the Twilight quartet preceding To understand the wide appeal of the Hunger Games books we can look at the issues the books grapple with Ignoring the conventions of what topics are appropriate in children's literature Collins trilogy examines taboo subjects like the ethics of war PTSD Posttraumatic Stress Disorder extreme poverty starvation and systematic oppression Collins does not flinch from exploring these issues with her audience and that openness that has brought the books an impressively diverse readership EXCERPT FROM THE BOOK Chapters 19-27 Being an experienced swimmer Katniss is one of the first to reach the Cornucopia There she nearly attacks Finnick but sees him wearing Finnick's bracelet a clear indication that she is to ally with him Finnick retrieves Peeta who cannot swim and together with Mags they enter the jungle It doesn't take Katniss long to identify the force field at the edge of the arena and recognize that the arena is round When a deadly fog begins to cause them to affect their nerves Peeta is unable to walk Finnick carries him and Katniss carries Mags but when Katniss and Finnick grow too numbed by the fog to carry both Peeta and Mags Mags walks into the fog effectively killing herself Eventually the fog recedes and Katniss discovers saltwater leeches the poison left by the fog

Later when they are all recovered Peeta is attacked by savage monkeys and one of the District 6 morphlings saves him dying in his place Johanna Mason along with Beetee and Wiress join the alliance Wiress who appears mentally unstable continues to repeat Tick Tock Her words appear to have no meaning until they lead to Katniss realization that the arena is a clock with each hour section holding a new horror The next day they go back to the Cornucopia where they are attacked by the Careers Wiress is killed and Finnick takes a knife in order to deflect a spear aimed at Peeta At this point Katniss realizes the other tributes are sacrificing themselves to ensure Peeta s safety and assumes it is an extension of Haymitch s promise to her buy the book to keep reading

The Unofficial Hunger Games Companion Bookcaps,2012-02-01 Suzanne Collins Hunger Games trilogy is full of characters and plots if you need help keeping track of it all then this can help The perfect companion to Suzanne Collins The Hunger Games Series this study guide contains a chapter by chapter analysis of the entire series a summary of the plot and a guide to major characters and themes BookCap Study Guides do not contain text from the actual book and are not meant to be purchased as alternatives to reading the book
