Good Day,

This is regarding my email sent to you yesterday. I would like to know if my replacement is approved and when your team will be able to collect the defective item back for replacement.

I am a regular customer of Amazon and often order my stuff. I have never faced any such situation until now and I really hope that I will get a proper solution. I also read through your faqs that customers can send requests for replacement for damaged products within 3 days of purchase.

Please arrange the replacement as soon as possible as the delay will make my work suffer and cause problems for my career. This is really important for me to get the item on time.

I am a regular customer and I really enjoy your service. I will appreciate your prompt response on this issue and hopefully will be shopping back soon next week for more items.
