## Halley S Hope:

*Halley's Hope* C. M. Fleming, Stacie Hart, 2015-01-19 Everything was wrong It was wrong that the missus left Halley and Moseley to bring her valuables in the middle of the night It was wrong that Moseley died fighting to protect someone else's things when he owned nothing not even himself It was wrong that the birds were free and Halley was not When a Yankee soldier dies in her arms Halley seizes the opportunity his uniform his horse and his identity She follows her inner compass north to the Union Army and freedom Will her brave war horse survive his injuries or will Halley have to say goodbye to him too Halley's Hope is a work of fiction Certain incidents and names of well known people are based on fact the actions dialogue and locations are products of the author's imagination
