Hamish Fitzsimons 7 30 Report:

Ocean to Outback Keith Jacobs, Jeff Malpas, 2011 Many debates that continue to ignite and divide Australians stem from notions of nationality and citizenship ethnicity and multiculturalism community and place In *Ocean to Outback* eleven authors address these topics as real concerns for groups and communities In an increasingly fractious and unstable world the need for such an investigation is paramount if we are to find ways of negotiating and working through the conflicts and tensions that arise such as the 2005 Cronulla riots Issues that have plagued Australian society in recent years such as immigration the treatment of refugees national identity and the meaning of terrorism are better understood through the lens of cosmopolitanism as we think about our relation to and place in the wider world Viewed as an ongoing political project cosmopolitanism has important implications for Australia's sense of connection to the rest of the globe and this book offers a positive approach to contemporary politics and society Publisher's website *Annual Report* United States.

Congressional-Executive Commission on China, 2008 [Caught on Screen](#) James Findlay, 2025-09-18 From innocent criminals to radical revolutionaries feisty feminists to manly pioneers egalitarian settlers to violent invaders *Caught on Screen* shows how over successive generations the shape shifting convict emerged on screen as a potent historical symbol Convicts loom large in Australian history As transported criminals and the first European settlers they have shackled the nation to a curious and contested origin story Historians were largely silent on their exploits until the second half of the twentieth century but before then a tradition of convict representation on screen appeared with the rise of cinema taking hold of the popular imagination From silent films to more recent television series screen culture has elevated the convict experience to become a key historical narrative through which filmmakers and audiences have repeatedly reframed and challenged an understanding of Australia's colonial past *Caught on Screen* traverses this history of convict representation for the first time Through detailed archival research into their production and reception the book explores engaging case studies produced in Australia and internationally including the work of Douglas Sirk Alfred Hitchcock and Jennifer Kent It illuminates the fact that the convict as historical symbol is one that intersected with and helped to direct major debates about nationalism the legacies of colonisation Aboriginal dispossession and the origins and character of Australian society
