This book will show you how to acquire quality customers from Facebook on autopilot. No matter the business you're doing, what would you be able to achieve with a manual that exactly shows you how to laser-target your ideal customers on Facebook and acquire them very cheaply, no matter the business you're in? Would you like to discover how to set up highly profitable systems that will ensure your business never runs out of customers? If you answered yes to the above questions, then you NEED this book.

Six times #1 Amazon bestselling author Michael Ezeanaka shows you how to achieve this. It has worked for a lot of people, and your case won't be any different. In this book, you'll discover:

- How to leverage the Facebook Ads Manager to create highly optimized and profitable Facebook Ads.
- How to create a highly effective customer avatar that will boost your conversion rates while keeping ad costs extremely low.
- A simple and ingenious modification that allows you to securely maintain and manage your Facebook Pages, Ad Accounts, and Catalogs.
- 10 incredible Facebook features you can take advantage of to boost your business profits.
- How to monitor specific actions potential customers take while on your website, and more importantly, how to use the Facebook Pixel to retarget those same people on Facebook.
- The A to Z of a Facebook Ad Campaign, including how to choose the right objective for your ad, add payment methods, set suitable budgets, etc.
- How to set up a highly converting sales funnel using Clickfunnels.
- How to integrate the sales funnels with your Facebook page.
- How to create irresistible lead magnets.
- The correct way to utilize the data from Facebook Analytics.
- How to set up profitable Instagram Ads.
- 20 costly mistakes beginners make and how you can avoid them.
- 20 Frequently asked questions about Facebook Advertising with answers.
- A case study that shows you how you can leverage the skills and knowledge you've gained to make as much as \$53,500 in profit from clients if you run a social media marketing agency, and much, much more.

The writer, as I discovered, has a good grip over the feasible, makes use of Facebook, and the way it could end up a powerful device for advertising. He explains each possibility in addition to the pitfalls, and he does a great job absolutely. Everyone who wishes to use Facebook for promoting his service or product should study this e-book. The extent of the e-book is primary to intermediate, and that is the excellent level for beginners.

Online Side Hustle: Newbie-Friendly Guide for Making Your First \$1,000 in Passive Income Each Month on Autopilot -- With 7 Proven Business Models Including Social Media, Shopify, and Amazon FBA Financial Freedom Blueprint,2019-05-07 Profitable businesses that you and your family can start in your spare time If you ve ever wanted to make a little extra cash on the side but don t have much money to invest then keep reading Here s the unfortunate truth Most of the books on Amazon promise you instant riches for little to no work Or they ll just be one long sales pitch for yet another overpriced online course Or worse some kind of recruitment for a network marketing scam So why is this book different Here at

Financial Freedom Blueprint we've rounded up a group of experts each of whom have years of experience in their fields to bring you today's best work at home opportunities. Not stuff which might have worked 10 years ago but no longer does so even if you've tried blogging, writing articles, selling stuff on Craigslist or eBay, affiliate marketing or a bunch of other stuff online which doesn't actually work then don't worry. This book only contains proven business models which are working in 2019. This isn't a get rich quick scheme and these projects will need some time and effort to get started. But all them only require a small investment and sometimes no investment and don't take a lot of time to set up. No need for hours of technical training either. Most of these are turnkey models you can get up and running with in a single weekend. And best of all you can run them from your laptop or in some cases your smartphone. Here's just a fraction of what you'll discover inside. The real secret to making money online. This is the opposite to what every guru has been telling you. How one desperate housewife made 1,500 profit her first month with just a small investment of 200 and less than 10 hours of work. The unique business model you can use to make 500 a week from your smartphone. The 4 best ecommerce niches for 2019 you won't find these on any mainstream websites and sellers in them are quietly making a killing. How to leverage one of the fastest growing markets on the planet by writing about your favorite subjects. This is one of the most fun and profitable ways to make money online right now. An unsexy yet reliable way to generate 1,000 in the next week. All it takes is a few emails sent to the right people and 2 hours of computer work and you're good to go. The dangerous lesson inside Rich Dad Poor Dad. The little known business model only taught in a 2,500 program which is making people 4 and 5 figures a month with less than 60 minutes work a week. How to make your first 1,000 with zero investment even if you don't have a college degree or barely finished high school. This one is so simple we've yet to see anyone fail with it. Is Amazon FBA worth it in 2019. The surprising truth inside and much much more. If you or your spouse loves to write then you'll love the business model in chapter 7 which can easily net you an extra 25,000 a year no it's not blogging. Or if you fancy yourself as someone who can spot a bargain then head straight to chapter 5 to discover how to leverage your skill in today's online marketplace. There are no upsells or withheld information either you can read the book and get started with your new side hustle the very same day. So if you want to get your hands on 7 proven business models for less than the price of an overpriced coffee at Starbucks. Scroll up and click add to cart to receive your copy instantly.
