I Am Neurotic:

i am neurotic Lianna Kong,2009-09-25 Based on the popular hilarious website of the same name I am Neurotic is a smorgasbord of anonymous confessions and wacky photographs that reveal people's deepest neuroses Author Lianna Kong has collected the best neuroses from the blog as well as previously unreleased submissions demonstrating how neurotic behavior is highly amusing shocking at times and ultimately a great human equalizer **I Am:Am I** Richard Hubbard,2008-07-10 This is a story about Robert Austin an iconoclastic womanizing nonbelieving unhappy rogue who finds an inviting ray of sunlight between the clouds of his confusion and discontent and decides to take on the challenge of mastering his emotional shortcomings and empowering his behavior Little does he know the magnitude of his commitment to undoing the undoing in his life He repeatedly arises phoenixlike from his defeats in an Odysseus like saga fighting battles in his dreams psychoses and the temptations of Jesus while rallying himself in psychoanalysis med school law school and humanistic discovery The Neurotic Turn Charles Johns,2017-12-19 Taking their cue from the work of Charles Johns who has argued that far from being an ailment neurosis is in fact the dominant condition of our society today an array of thinkers have gathered in The Neurotic Turn to address the question what can neurosis tell us about our current social impasse What emerges in The Neurotic Turn is the awareness that the medicalization of neurosis was merely provisional Today to understand our increasingly synthetic digitized world we cannot retreat from neurosis or pretend to offer its cure Instead we must confront it dispensing with the conventional idea of reality in order to redefine it **i am neurotic** Lianna Kong,2009-10-13 Hand Washers Unite Online Rolling Stone Does it make me neurotic that I find this site immensely soothing to read Soothing Scott Lamb BuzzFeed You can't get through the day without checking to see if your front door is locked three times You take exactly two tablespoons of cream in your coffee which must be swirling while you pour or else it just doesn't take right The worst part is that you have to do all your neurotic habits discretely because you don't want people to know You're not alone though iamneurotic.com is a collection of anonymously submitted neuroses revealing the habits that we take care to hide from others While sitting in the bathroom stall waiting for everyone to leave Lianna Kong realized her own neurosis she can't use the bathroom when other people are around I am neurotic was born What started as a blog where Lianna and her friends could share and joke about their own neuroses turned into a form of confessional therapy for others People eager to unburden themselves of their hidden habits began to anonymously confess their neuroses and in turn learned they were not the only ones to sniff their floss or avoid the cracks in the sidewalk I am neurotic congregates the best neuroses from the website and unseen submissions accompanied by photographs The result is a book that will demonstrate how neurotic behavior is highly amusing shocking at times and ultimately a great human equalizer Facing a World in Crisis J. Krishnamurti,2005-03-08 J Krishnamurti one of the most beloved and renowned religious teachers of the twentieth century often taught his students that they must look at the state of the world with all its violence and conflict if they are ever

to understand themselves To turn away from world events was for him not to be alive to what life has to teach Facing a World in Crisis presents a selection of talks that Krishnamurti gave on how to live in and respond to troubling and uncertain times His message of personal responsibility and the importance of connecting with the broader world is presented in a nonsectarian and nonpolitical way Direct and ultimately life affirming Facing a World in Crisis will resonate with readers today who are looking for a new way to understand and find hope in challenging times *The Dome* ,1900 Includes music
