A Psychoanalyst in the Classroom Deborah P. Britzman, 2015-08-31 A Psychoanalyst in the Classroom provides rich descriptions of the surprising ways individuals handle matters of love and hate when dealing with reading and writing in the classroom With wit and sharp observations Deborah P Britzman advocates for a generous recognition of the vulnerabilities creativity and responsibilities of university learning Britzman develops themes that include the handling of technique in psychoanalysis and pedagogy the uses of theory regression to adolescence the inner life of gender the untold story of the writing block and everyday mistakes in teaching and learning She also examines the relationship between mental health and experiences of teaching and learning

Communist Study Derek R. Ford, 2022-01-14 In the second edition of this groundbreaking work Derek R Ford contends that radical politics needs educational theory posing a series of educational questions pertinent to revolutionary movements How can pedagogy bridge the gap between what is and what can be while respecting the gap and its uncertainty and contingency How can pedagogy accommodate ambiguity while remaining faithful to the communist project In answering these questions Ford develops a dynamic pedagogical constellation that radically opens up what education is and what it can mean for revolutionary struggle In charting this constellation Ford takes the reader on a journey that traverses disciplinary boundaries innovatively reading theorists as diverse as Lenin Agamben Marx Lyotard Althusser and Butler Demonstrating how learning underpins capitalism and democracy Ford articulates a theory of communist study as an alternative and oppositional logic that perhaps paradoxically demands the revolutionary reclamation of testing Poetic performative and provocative Communist Study is oriented toward what Ford calls the sublime feeling of being in common which as he insists is always a commonness against
