12
Which is the best example of a sentence that you could use in a paragraph of an argument?

- A. Even though I strongly disagree with the issue, I strongly support it.
- B. One reason I support the issue is because it helps me find the best solution.
- C. The first reason I support the issue is because the population is growing.

19
What is the best piece of evidence someone could use from this paragraph to support their claim that college should be free for students?

For the economy to grow, the workforce must be skilled. The current workforce is likely to be unskilled, so the country should implement a program to provide free college education for all students.
