Interview With The Vire The Vire Chronicles :

A View from Two Benches Doug Feldmann,2020-05-15 Whether in football or in the law Illinois Supreme Court Justice Robert Thomas has always had the best view from the bench Bob Thomas got his start in football at the University of Notre Dame kicking for the famed Fighting Irish in the early 1970s Claimed off waivers by the Chicago Bears in 1975 Thomas helped to take the franchise from their darkest days to their brightest Yet on the cusp of the team s greatest moment he was struck with a shocking blow that challenged his fortitude In this dramatic retelling of Bob Thomas s fascinating life renowned sports writer Doug Feldmann shows how neither football nor the law was part of Thomas s dreams while growing up the son of Italian immigrants in Rochester New York in the 1960s Chasing excellence on both the gridiron and in the courtroom however would require resilience in ways he could not have imagined As *A View from Two Benches* shows us Bob Thomas reached the top of two separate and distinct professions guided by a bedrock of faith that has impacted his decisions and actions as both a football player and a judge helping him navigate the peaks and valleys of life As Doug Feldmann reveals Bob Thomas has always stayed true to the values he learned in his earliest days Doug Feldmann s rich biography of an accomplished kicker and a proud justice of the law shows us that determination and resilience go a long way to a successful and impactful life [The Japan Chronicle](#) ,1912 **A Black Educator in the Segregated South** Gerald L.

Smith,2021-03-17 Black college presidents in the era of segregation walked a tightrope They were expected to educate black youth without sufficient state and federal funding Yet in the African American community they were supposed to represent power and influence and to be outspoken advocates of civil rights despite the continual risk of offending the white politicians on whom they were dependent for funding The dilemmas they faced in balancing these conflicting demands have never been fully examined Gerald Smith s study of the long time president of Kentucky State College helps fill that void From 1929 to 1962 Rufus Ballard Atwood served as president of Kentucky State As chief administrator of the state s foremost black institution he worked closely with black educational organizations and was often chosen by whites to represent the African American community on various boards and commissions These appointments gave him access to the state s political and educational power structure and Atwood proved to be a skilled diplomat but his influence was frequently at risk In his groundbreaking study Smith examines Atwood s political relationships with state officials and his efforts to improve education for African Americans in Kentucky and the nation He also appraises Atwood s contributions to Kentucky State and his relationship with faculty and students and evaluates his contributions to the civil rights movement in Kentucky Most important Smith compares Atwood s style of leadership and the circumstances he confronted in Kentucky with those of black college presidents in other southern states *A Black Educator in the Segregated South* offers an important look at a complex role played out by a remarkable man in an era of change and conflict *Vince Guaraldi at the Piano, 2d ed.* Derrick

Bang,2024-05-15 Although Vince Guaraldi s playful jazz piano themes for the early Peanuts animated television specials are

well known the composer himself remains largely unheralded More than merely the Peanuts guy Guaraldi cut his jazz teeth as a member of combos fronted by Cal Tjader and Woody Herman and garnered Top 40 fame with his Grammy Award winning hit Cast Your Fate to the Wind This career study extensively updated gives Guaraldi long overdue recognition chronicling his years as a sideman his attraction to the emerging bossa nova sound of the late 1950s his collaboration with Brazilian guitarist Bola Sete his development of the Grace Cathedral Jazz Mass his selection as the fellow to put the jazz swing in Charlie Brown s step and his emergence as a respected veteran in the declining Northern California jazz club scene of the 1970s Ironically his place in the jazz universe has grown exponentially since this book s initial 2012 publication and this second edition acknowledges such honors and features a wealth of new material

Ethnicity in Zimbabwe Enocent Msindo,2012 A comparative study of identity shifts in two large ethnic groups in Matabeleland Zimbabwe Ethnicity in Zimbabwe Transformations in Kalanga and Ndebele Societies 1860 1990 is a comparative study of identity shifts in two large ethnic groups in Matabeleland Zimbabwe The study begins in 1860 a year after the establishment of the Inyati mission station in the Ndebele Kingdom and ends in the postcolonial period Author Enocent Msindo asserts that despite what many social historians have argued the creation of ethnic identity in Matabeleland was not solely the result of colonial rule and the new colonial African elites but that African ethnic consciousness existed prior to this time formed and shaped by ordinary members of these ethnic groups During this period the interaction of the Kalanga and Ndebele fed the development of complex ethnic regional cultural and subnationalist identities By examining the complexities of identities in this region Msindo uncovers hidden alternative and unofficial histories contested claims to land and civic authority the politics of language the struggles of communities defined as underdogs and the different ways by which the dominant Ndebele have dealt with their regional others the Kalanga The book ultimately demonstrates the ways in which debates around ethnicity and other identities in Zimbabwe and in Matabeleland in particular relate to wider issues in both rural and urban Zimbabwe
