2. "The core of man's spirit comes from new experiences." Describe a life-changing experience that you've had. How did that experience change you as a person? (Remember, a difficult experience often makes us better people.) Use descriptive language.
3. "The trip was to be an odyssey in the fullest sense of the word, an epic journey that would change everything." If you were to make an "epic journey that would change everything", where would you go? What would you do on your journey? What would you hope to learn?
