Into Your Hand Confronting Good Friday:

Into Your Hand Brueggemann Walter, 2015-10-27 This set of seven sermons follows the traditional church sequence of utterances that the gospel narratives place on the lips of Jesus They connect that reality of faith and abuse in our contemporary world of concentrated ruthless power

Finding Jesus in the Storm John Swinton, 2020-09-30 Drawing from theological reflection on the lives of 30 Christians with severe mental health challenges depression bipolar disorder and schizophrenia leading disability theologian John Swinton contends that mental health problems require theological understanding and not just medical intervention In fact he argues it is not necessary to care effectively for Christians experiencing severe mental illness to grasp the theological dimensions of such experiences Therapy and pharmacology may be helpful but on their own they are deeply inadequate By listening carefully to the lived experiences of people with severe mental health problems **Finding Jesus in the Storm** will open up new understandings and perspectives that challenge current assumptions and draws out fresh perspectives for care healing recovery and community It is a book about people instead of symptoms description instead of diagnosis and lifegiving hope for everyone in the midst of the storm

Virus as a Summons to Faith Walter Brueggemann, 2020-04-30 Why bother with the interpretive categories of biblical faith when in fact our energy and interest are focused on more immediate matters The answer is simple and obvious We linger because in the midst of our immediate preoccupation with our felt jeopardy and our hope for relief our imagination does indeed range beyond the immediate to larger deeper wonderments Our free ranging imagination is not finally or fully contained in the immediacy of our stress anxiety and jeopardy Beyond these demanding immediacies we have a deep sense that our life is not fully contained in the cause and effect reasoning of the Enlightenment that seeks to explain and control There is more than that and other than that to our life in God's world

The American Encyclopaedic Dictionary Robert Hunter, John A. Williams (A.M.), Sidney John Hervon Herrtage, 1897 *Journal Philadelphia Orchestra*, 1923 [The Road to Bosworth Field](#) Trevor Royle, 2009 There is no single history of the Wars of the Roses the bloody conflict between supporters of the White Rose of Yorkshire and the Red Rose of Lancashire which provides a military history while placing the conflict in the context of the political cultural religious and social background not just in England and the rest of the British Isles but also in Europe

This book makes good that omission by producing the definitive account of one of the most dramatic and murderous periods in English history the years when the rival heirs of King Edward III fought for the right to rule as absolute monarchs It will also examine the wars and the main personalities against the account provided by William Shakespeare s cycle of historical plays It paints the period on a broad canvas refusing to be circumscribed by the narrow dates set down by earlier historians Instead the story opens with the reign of Richard II and charts over a hundred years of dramatic internecine conflict treachery and greed a period in which powerful men perverted justice for their own ends murdering their opponents and destroying their possessions in the process
