**Jesus and Muhammad** Mark A. Gabriel, 2004 This volume explores the surprising similarities and differences between two of the most important religious leaders of all time Jesus and Muhammad Born into a Muslim family in Egypt Gabriel is a converted Christian and former professor of Islamic history at Al Azhar University in Cairo **Muhammad and Christ** Muhammad Ali, 1921 **Christ, Muhammad and I** Muḥammad Ghāzūlī, 2007-04 Mohammad Al Ghazoli was raised a Muslim But the more he read the ancient literature of Islam the more convinced he became that Allah could not be the True God And the more he studied the life of Muhammad the more obvious it became that Muhammad was not God s prophet Then one day someone placed a Bible in his hands and said Read Soon Ghazoli had found the True God and forgiveness through His Son This book isn t just Ghazoli s testimony It is much more than that It contains the facts from the literature of Islam that shows why Allah can t possibly be the True God It gives proof from Islam itself that whenever Muhammad wanted more wives or riches or when he had a problem Gabriel was always standing by ready to give another verse to exempt Muhammad from the law and morality How convenient Many of the stories in the book will be unfamiliar to the Western reader but very familiar to Muslims It is this inside view of things that makes the book so powerful as a witnessing tool for Muslims Over and over again Ghazoli asks Is this the behavior of a prophet who was sent by God What kind of god would send a prophet like that The arguments contained in this book will give you powerful evidence you can show to Muslims you may try to witness to Because it is written by a respected Arab writer who was an advisor to the Arab league and even to Libyan ruler Qaddafi you can give the book to a Muslim and tell him Read Learn about The 220 contradictions in the Quran Verses which reverse and replace prior verses Did Allah make a mistake The verses used to justify terrorism Even the Quran admits Jesus was crucified Then it denies it Muhammad s 23 marriages including one to a little girl Muhammad And Christ MOULVI MUHAMMAD. ALI, 2025-05-22 In Muhammad and Christ Moulvi Muhammad Ali presents a comparative study of two of the most influential figures in religious history This work explores the similarities and differences between the teachings lives and legacies of Muhammad and Jesus Christ offering readers a nuanced understanding of both Islam and Christianity Examining key theological concepts moral principles and historical contexts the book seeks to foster interfaith dialogue and promote a deeper appreciation of each tradition Ali s insightful analysis provides valuable perspectives for those interested in comparative religion Islamic studies or Christian theology This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a

Muhammad and Christ Moulvi Ali,2013-09-15 Published in 1921 the author of this volume who was Muslim used this volume as a non biased comparison of the lives of Muhammad and Jesus Christ *Is the Father of Jesus the God of Muhammad?* Timothy George,2002 This book describes and contrasts the distinctives of Christianity and Islam Its goal is to help Christians better understand how to interact with Muslims **Muhammad and the Christian** Kenneth Cragg,1984 *Muhammad and Jesus* William E. Phipps,2016-10-06 This carefully researched and provocative treatment of the two most influential persons in world history sets aside the cultural prejudices that often hamper open honest comparison of Muhammad and Jesus Phipps begins with a thorough biographical investigation of the early lives of the Meccan and the Nazarene and a thoughtful assessment of their later contributions as statesman and reformer He then debunks many of the invidious myths about Jesus and Muhammad during the course of a careful exploration of the ways in which they interpreted Hebrew Scriptures their prescriptions for moral conduct and their attitudes toward rewards and punishment on earth and in the afterlife

Islam in Relation to the Christ Impulse Andrei Younis,2015-06-01 Islam came into being around AD 600 as a monotheistic Abrahamic religion revealed through the Prophet Muhammad Awareness of Islam in the West has grown dramatically in the twenty first century but there remains much misunderstanding of the interrelationship between Islam and Christianity both their commonalities and differences Andrei Younis elucidates esoteric reasons behind the emergence of Islam from the perspective of Steiner s Spiritual Science He draws on more than thirty years of studying Steiner s works as well as on first hand knowledge gained from living in various Islamic countries and cultures His purpose is to reconcile the origins beliefs and meanings of Islam and Christianity Looking closely at the history and various manifestations of Islam Younis discusses the spiritual impulses behind Islamic beliefs and practices grounding his commentary in both the Koran and the Bible Comprehending this anthroposophic perspective on the emergence of Islam is key to understanding why Islam manifests as it does today Whereas this book will be enlightening and even surprising to most open minded Western readers it is not meant to be a foundation for beliefs or non belief but as a springboard for thought and new avenues of understanding and compassion in a dangerous time

Jesus and Muhammad 2 Rays of the Same Light Karim Shabazz,2018-06-29 The book *Jesus and Muhammad 2 Rays of the Same Light* takes the reader on a journey through the authentic teachings of Jesus and Muhammad During the course of this journey each reader is presented with numerous themes and topics that were excellently addressed by Jesus in the New Testament and that were also superbly addressed by Muhammad in the Quran thus illustrating profound similarities complements and parallels Providing ample food for thought and reflection the book provides numerous examples where the teachings of Jesus and Muhammad

clearly demonstrate continuity balance and congruence An excellent analysis is made of The Sermon on the Mount also entitled The Beatitudes from Jesus while on the mountain compared to The Farewell Sermon also entitled The Final Sermon of Muhammad also delivered while on a mountain The critical insights and synergy is compelling and indeed thought provoking as well as inspirational The book brilliantly explores the subject of religious interfaith providing scriptural support from Jesus as per the New Testament and from Muhammad as per the Quran as an unbiased platform The book does an excellent job of identifying numerous examples where the teachings of Jesus and Muhammad do indeed portray them as two rays of the same light

*Jesus: Prophet of Islam* Muhammad Ata ur-Rahim, Muhammad 'Ata ur-Rahim, 1991 Jesus Prophet of Islam by Muhammad Ata Ur Rahim examines Jesus as a prophet teaching the unity of God The author sketches the dramatic picture of the original followers of Jesus who affirmed Unity What emerges is that Christianity is the fiction that replaced their truth The book presents an incontrovertible challenge to any Christian reader as well as providing an illuminating perspective for understanding the wave of new scholarship among Christian theologians that rejects the official interpretation of Jesus and his mission

**Jesus** Muhammad 'Ata ur-Rahim, 1979 *What the Bible Says About Muhammad (PBUH)* Ahmed Deedat, 1998 The subject of this book What the BIBLE says about MUHAMMED PBUH will no doubt come as a surprise to many of you because the author is a Muslim How does it come about that a Muslim happens to be expounding prophecies from the Jewish and Christian Scriptures As a young man about 30 years ago I attended a series of religious lectures by a Christian theologian a certain Rev Hiten at the Theatre Royal Durban in South Africa

Jesus and Muhammad F. E. Peters, 2010-11-11 In Jesus and Muhammad Peters presents a balanced and objective study of two of the most renowned and controversial individuals in history examining their lives and careers and the paths down which historians both believers and non believers have pursued them over the last century and a half

**Prophet Muhammad in the Bible** P. Zainul Abideen, 2015-01-13 Many religions came into existence while many are dead Among existing religions Islam and Christianity occupy top positions These religions are followed in countries around the world These two religions have different ideologies but share some common faith Christianity believes Jesus was born without male intervention this faith is also shared by Islam Christianity believes before Christ many prophets of God appeared They were given revelations by God Islam too accepts this Islam believes Jesus as the mighty messenger of God Christianity believes in after life They believe their life in earth should be according to God s laws This will decide their eternal life people will be rewarded heaven or hell Islam seriously stresses on after life These are some faith common between Islam and Christianity But in some faith Christianity and Islam differs Basic Christian faith is Jesus was born of God Basic faith of Islam is Allah was not begotten nor does he beget he does not have female companions nor does he have relatives Islam severely condemns this Jesus was not the son of God in literal sense Abraham Moses and Jesus were prophets of God Islam says Jesus was not the son of God but he was a prophet of God Adam sinned by disobeying God as a result his descendants were born sinners This is the basic belief of Christianity Islam

believes Adam sinned by disobeying God But his sin was not passed to his descendants a new born child does not inherit sin This is another faith where Christianity differs from Islam As humans are born sinners it becomes essential to sacrifice Christianity believes that Jesus sacrificed himself for the sins of mankind Bible says Jesus was unwilling to be sacrificed But he was captured by his enemies and punished Jesus cries My God My God why have you forsaken me It clearly contradicts Bible s view of Jesus self sacrifice Islam too takes this stand Even if Jesus self sacrificed himself it would only be atonement for his sins and not the sins of mankind this is Islam stand No country will punish a son for his father s crime When men are intelligent enough to stop such laws is it reasonable to believe God would give such a law Is God less intelligent than Man This logical question is raised by Islam These are major differences between Christianity and Islam Islam believes revelations were given to the prophets of God but were manipulated by men Islam believes some words of God are still retained in the Bible There are many verses in the Bible which prophesies the arrival of Prophet Muhammad These prophecies are found in Old Testament and New Testament of the Bible The goal of this book is to prove prophet Muhammad saw was prophesized in Bible and he was a prophet sent by God to all mankind If Christians read this book with an open heart they would inevitably conclude that Prophet Muhammad saw was a messenger sent by God We pray that you might be guided into the truth

*Jesus the Messiah in Muslim Thought* Olaf H. Schumann,2002      From Jesus to Muhammad Elena Trenevskaja, Timurlenk Chekovikj,2019 he book presented is written to answer many important reader questions both classical and modern It is not a surprise that many previous books on comparison between the Islam and Christianity were written from the Christian position even in scholarly research Islam has been seen through the lens of Christian religion and in the pattern of Christian belief In contrast the book by Elena Trenevskaja but since we have a very small account about this in the Quran and in the Bible no one has a real proof to speculate about this And this is why this book calls us not to start some polemics but to consider the sacred text which gives the most authoritative stories to the believers      Muhammad and Christ Muhammad Ali,1963      **Mohammed Or Christ** Samuel Marinus Zwemer,1916      **The Christian Encounter with Muhammad** Charles Tieszen,2020-11-12 This book offers a fresh appraisal of Muhammad that considers the widest possible history of the ways in which Christians have assessed his prophethood To medieval Christian communities Muhammad the leader of a religious and political community that grew quickly and with relative success was an enigma Did God really send him as a prophet with a revelation Was the political success of the community he founded a divine validation Or were he and his followers inspired by something evil Despite their attempts modern Christians continued to be puzzled by Muhammad The Qur an provided a framework for understanding and honouring Jesus was it possible for Christians to reciprocate with regard to Muhammad This book applies the same analysis to both medieval and modern assessments of Muhammad in order to demonstrate the continuities and disparities present in literature from the two eras
