Icwa Desk Guide:

The Real Life Guide to Accounting Research Christopher Humphrey, Bill H.K. Lee, 2007-11-29 The Real Life Guide to Accounting Research is a book that goes behind the more official presentations and accounts of research methods to explore the lived experiences joys and mistakes of a wide range of international researchers principally working in the fields of accounting and finance but also in management economics and other social sciences The authors of the articles in this book address a wide range of issues and obstacles that they have confronted at various stages in their respective research careers In reflecting on their personal experiences they provide practical guidance on how to overcome the types of problems that typically confront researchers in their day to day work Practical tips on how to undertake research and get findings published Research project management skills International and interdisciplinary perspectives
