**Extending Intelligence** Patrick C. Kyllonen,Richard D. Roberts,Lazar Stankov,2008 This volume presents research from a variety of perspectives on the enhancement of human intelligence It is organized around five themes enhancement via instruction enhancement via development over the life cycle enhancement over time enhancement via new constructs and new directions in enhancement Three key issues are addressed First although most of the scientific research on intelligence has concerned what it is this volume attends to the consequential societal and economic issue concerns of whether it can be increased and how Second intellectual enhancement is particularly important when targeted to minorities and the poor groups that have typically performed relatively less well on intelligence and achievement measures This volume reflects the education community s ongoing interest in understanding and attempting to close achievement or test score gaps Third most of the attention to examining intellectual enhancement and in accounting for and closing the test score gap has focused on general cognitive ability In line with the current emphasis on considering intelligence from a wider perspective this volume includes constructs such as emotional and practical intelligence in definitions of intellectual functioning Extending Intelligence Enhancement and New Constructs is an essential volume for researchers students and professionals in the fields of educational psychology intelligence educational measurement and assessment and critical thinking

**Assessment and Teaching of 21st Century Skills** Patrick Griffin,Barry McGaw,Esther Care,2011-10-20 Rapid and seemingly accelerating changes in the economies of developed nations are having a proportional effect on the skill sets required of workers in many new jobs Work environments are often technology heavy while problems are frequently ill defined and tackled by multidisciplinary teams This book contains insights based on research conducted as part of a major international project supported by Cisco Intel and Microsoft It faces these new working environments head on delineating new ways of thinking

about 21st century skills and including operational definitions of those skills The authors focus too on fresh approaches to educational assessment and present methodological and technological solutions to the barriers that hinder ICT based assessments of these skills whether in large scale surveys or classrooms Equally committed to defining its terms and providing practical solutions and including international perspectives and comparative evaluations of assessment methodology and policy this volume tackles an issue at the top of most educationalists agendas *Private Secondary Schools: Traditional Day and Boarding Schools* Peterson's,2011-05-01 Peterson s Private Secondary Schools Traditional Day and Boarding Schools is everything parents need to find the right day or boarding private secondary school for their child Readers will find hundreds of school profiles plus links to informative two page in depth descriptions written by some of the schools Helpful information includes the school s area of specialization setting affiliation accreditation subjects offered special academic programs tuition financial aid student profile faculty academic programs student life admission information contacts and much more **The ETS Test Collection Catalog** Educational Testing Service.
