

Considering the Question

Explain how visual **language conventions** have been used to convey an idea in Text 2.

—Question 2, Comprehending, 2023

Text 2 is a 2022 black and white image taken from the Instagram of Nedd Brockmann. Nedd ran approximately 100 kilometres per day from Cottesloe Beach, Perth, to Bondi Beach, Sydney, in an effort to set a new world record and to raise funds and awareness for a charity supporting the homeless.

This Comprehending section question requires candidates to explain how visual language conventions contribute to the development of an idea in the unseen text. The syllabus concept of visual language conventions is the 'how' of this question. The command word 'explain' directs you to establish a cause-and-effect relationship between techniques and ideas in texts. What effect does each visual language convention have on the viewer? How does it help them to understand the main idea?

Language features within the English ATAR course can refer to both written and visual techniques within texts. This question specifies a focus on 'visual language' such as composition, framing, shot size, camera angle, depth of field, body language, facial expression, proximity, density, setting and objects. The term 'conventions' in this question means the typical use of visual language features in the image, which was a photo posted on social media.

Possible visual conventions could include:

- the written text of the web address in the background of the image
- the eye-level camera shot that draws attention to the subject
- the positioning of the subject in the centre of the image
- the word "fight" written in block capitals on the subject's hand
- the slouched body language of the subject, suggesting exhaustion
- the contrasting message between the subject's body language and the written text, suggesting conflict between mind and body.

An idea in the English ATAR course is a broad term that includes the understandings, thoughts, opinions or beliefs explored in a text. Ideas are explored in more detail in the 'what' section of this guide. Nevertheless, it is important to note that this question is a partially open question, as it does not specify a focus idea for the response. This means that you must come up with your own idea based on the image. The complexity of this idea will determine the sophistication and nuance of your response. Possible ideas could include self-sacrifice for a greater cause or social media as a vehicle for social change.
