

## Algebra 2B - Activity 10.2

1. Based on the grid below, identify each function below as being a linear or a non-linear function.

2. Identify each of the functions below that are **linear**. If they are linear, write the equation of the line. If they are not linear, write the equation of the curve.

This is being presented with the grid for the same reason.

3. Graph each of the functions part 2 on the grid below. If they are linear, write the equation of the line. If they are not linear, write the equation of the curve.

Remember, the functions that are **linear** are the only functions that are **linear**. If they are not linear, write the equation of the curve.

Remember, the functions that are **linear** are the only functions that are **linear**.
