to help renters through the process of finding getting and maintaining rental housing Reflecting upon the real life concerns
we hear through thousands of questions on our tenant hotline this book gives advice on the best ways to handle and avoid the
most common rental problems This book follows the rental process from beginning to end with several additional chapters on
unique rental housing situations The book begins with advice regarding finding and applying for an apartment and moves on
to understanding the terms of a lease Next some of the most common issues renters run into once they ve moved in are
coveredgetting repairs made dealing with neighbors right to privacy and more Later the book addresses what to expect when
a renter intends to move out of an apartment and how to make sure a security deposit is returned Furthermore several
immediate emerging issues in the rental market are covered What does a renter do when a landlord is in foreclosure Who is
responsible for paying when an apartment becomes infested with bedbugs Lastly we take a detailed look at community
organizing and how tenants can work collectively to hold their landlords and elected officials accountable How to Be the
