I SEE THE LIGHT

Background Information

I SEE THE LIGHT (ISL) is a midmajor U corporation that manufactures children's lampshades for use in classrooms. These lamps are sold nationwide through a group of independent sales representatives who have an exclusive sales region. The business is in its tenth year and has asked you to assist in planning for next year's operations.

The lamps are various figures of animals, foods, toys and girls playing and singing, all in delightful colors. The owner of the business, Big Al, creates a drawing for the figure and then it is a plant in China where a mold is created and a sample produced and hand painted. If the mold meets the expectations of Big Al an order of 100 lamp parts is placed. Each lamp kit consists of the parts required to complete one lamp: a figure, a lamp shade and the required electrical components. There are presently 10 different figures that come in six different colors, 60 models.

There are presently 10 workers in the plant. They are responsible for receiving the raw material, manufacturing the product, packing and shipping. In addition to Big Al there are two office workers who are responsible for all administrative duties.

Big Al had his accountant prepare the Projected Income Statement and Balance Sheet presented on page ten. Big Al heard about your skills in managerial accounting and would like your assistance in the following areas:

- Part 1 Fixed and Variable Cost Determinations – Unit Cost Calculations
- Part 2 Cost Volume Relationships - Profit Planning
- Part 3 Budgets
- Part 4 Process Costing
- Part 5 Job Order Costing
- Part 6 Standard Costing - Variance Analysis
- Part 7 Capital Decision Making

To update your work to Big Al the file without changing the name. Pay attention to the specific location that Excel saves the file. Pay attention to the bottom of the page that you downloaded the file from, Cyberland.com, The Book List, Building Blocks of Accounting-A Managerial Perspective, Enter (download), Upload Your Excel File. If you upload an old version of the file the results will not update.

Keep two copies of your spreadsheet in two separate places in case one of Big Al's computers sends someone to delete your work or it is lost in transmission.

You may find it easier to work on this project if you print a hard copy of all the pages.
