

**IB English 12**  
**Works in Translation**  
**Written Assignment**

You are required to produce an essay of 1,200–1,500 words in length *on a literary aspect* of one work.

“The written assignment needs to grow out of the supervised writing” (Subject Report 2012)

You will develop the essay with my guidance from one of the pieces of supervised writing completed in class. From the ideas in the supervised writing you must develop a topic and your final essay. I must keep an unedited copy of the chosen supervised writing on file until the end of the examination session. You will choose **one** of your pieces of supervised writing to develop into the essay required for submission. **There must be an apparent connection between the supervised writing and the final essay**, but you are encouraged to provide your own title and to develop the chosen prompt in an independent direction.

*Sample titles:* Mrs Linde as role model in *A Doll's House*; The Vicario brothers as champions of honour; The contrasting roles of ice and snow in *Dr Zhivago*

**My role**

- Provide guidance on the development of the essay topic.
- Discuss the connections between the supervised writing and the essay.
- Ensure that the topic is suitable to the length and the focus of the task.
- Read the first draft of the essay and provide feedback to you. (I cannot annotate or edit your draft.)

**Completion of the essay for submission by the student**

After receiving feedback on the first draft, you must complete the written assignment **without further assistance**.

NOTE: The essay must be your own work, and you must authenticate it as such. You will also submit your essay to turnitin.com.

*Formal requirements*

**Length** 1,200–1,500 words. If the limit is exceeded, assessment will be based on the first 1,500 words.

**Submission** The final essay will be submitted for assessment **along with the relevant reflective statement**. The essay should be a well-presented, formal piece of work.

**Assessment** The final essay is awarded a mark out of 22 using assessment criteria B, C, D and E.

You are encouraged to initiate discussion with me to obtain advice and information during the initial planning stages of this assignment. You will be able to sign up to conference with me during the essay work days.

**Calendar:**
