Praying Together Karla Hardersen, 2018-11-27 Parents are their children's first catechists and formators in the faith. Praying Together offers parents and families insights into how they might make prayer a more intrinsic part of their daily life and foster an understanding of prayer as communication and relationship with God. This e-book will help families develop ritual moments of prayer together at home as well as help foster a greater attention to the presence of God in everyday life.

Power to Pray Don Andreson, 2012-05-08 There is or at least ought to be power in prayer. The Bible after all is filled with stories of people who prayed and saw amazing results. Jesus, our Disciple, besides praying often and with the clear expectation of results, taught us to always pray and to never give up. Yet too many of us lack the power to pray consistently and effectively. Prayer is often a duty, seldom performed instead of a living experience of connecting with heaven's power. The Bible's true statement, Faith without works is dead, is also true when turned backward: an absence of prayer in our life demonstrates the absence of faith in our heart; faith in the actual effectiveness of prayer as the Bible describes it. If we pray, God will act; if we don't pray, he won't. The sole aim of *Power to Pray* is to increase this faith in all of us so that our Father, who eagerly waits for us to pray, can act on earth as in heaven. The rest is up to you and the Holy Spirit. My prayer is that the immense purposes of God will be accomplished.
