

If you run out of space

4

If you run out of space in your answer booklet, ask the invigilator for a new booklet and complete your present booklet and name on the front page. If you are continuing with an answer that you started in your first booklet, write the question number again in the new booklet before continuing with your answer.

If you need to go back and write more for any of your answers at any stage, go to the end of the last answer that you wrote in your answer booklet, to the next available space, fill in the question number again and then continue your answer.

Things important to know
