Excerpt from book JULIUS CESAR GENERAL QUESTIONS

- 1 To show the simplicity of the plot material outline the action in one hundred words or less
- 2 Give reasons for the play s comparative poverty in subtle analysis of character and motive and in poetic beauty What is the influence in this respect of the nobly simple austere and somewhat stiff personality of Brutus If Antony had been allowed to dominate and determine the tone of the play how would the play have differed in effect It would not be entirely misleading to compare in this connection the wonderfully rich and various Antony and Cleopatra Coriolanus also has a voluminous majesty and a sumptuous splendor which forbids the assertion that the simplicity of Julius Ccesar is due to the poet s estimate of the Roman type of mind
- 3 What powers of the poet s mind are scarcely brought into play in this drama What powers are clearly in evidence
- 4 Try to define the exact nature of the pleasure you take in this play Is it at all like the pleasure you take in any of the great tragedies or in any of the comedies
- 5 Why is this play especially suited to the comprehension of children and to the elementary type of mind among adults This must not of course be understood to imply condemnation unless we wish to include in that condemnation almost the entire tragic theater of the ancient world What scenes do you leave out of consideration in your answers to this and to the three preceding questions
- 6 Would you say that in this play the poet s powers of expression are in advance of his thought or that jjiejr lag Jbehind his thought Or are thought and expression in a nearly perfect equipoise
