Desire John Eldredge, 2007-10-14 Can we find a life filled with passion without being overwhelmed by it In this groundbreaking book John Eldredge invites readers to acknowledge the significance of desire abandon resignation and embark on an adventure he calls our heart's most important journey Eldredge writes There is a secret set within each of our hearts It is the desire for life as it was meant to be Yet how do we uncover our desires and learn to decipher them As Eldredge says We all share the same dilemma we long for life and we're not sure where to find it We wonder if we ever do find it can we make it last We must journey to find the life we prize And the guide we have been given is the desire set deep within the desire we often overlook or mistake for something else or even choose to ignore The greatest human tragedy is to give up the search Many good people have been told that the path to a holy life requires us to kill our hearts' desires And call it sanctification But in this re-release of one of Eldredge's most inspiring works we discover that God is the author of our deepest desires He has given us desire and he loves to fulfill our hearts' desires For as the Psalms declare Delight yourself in the Lord and he will give you the desires of your heart 37:4 God is calling to you through the desires of your heart How you respond will set the course for the rest of your life Desire is a profound and winsome call to walk into the heart of God and hear Him sing to your soul about His love In a world of frenzy and clamor about desire we often miss the ache that lifts our face to look into His eyes This book will stir your heart and invite you to know the one desire that captures all passion for His purpose Drink in this work and your life will not be the same Dan Allender Author *The Healing Path*
