

WHAT'S UNIQUE ABOUT THE EXECUTIVE MBA?

Whereas traditional MBA programs are targeted toward those with five years to seven years of business experience, the Executive MBA is designed for successful, experienced business professionals seeking to take their performance to the next level. The EMBA goes beyond the functional skills and knowledge. It is taught from the executive perspective – concurrently processing the complexities of leadership, vision, strategy, innovation, management and integration across all functional areas.

ENHANCE YOUR EXISTING CAREER

EMBA's are ideal for the working professional who wants to further their skills and education while still working full-time on their careers.

- ▶ Programs are convenient, flexible and usually allow for graduation in less than two years while still employed
- ▶ Students tend to be mid-career professionals looking to enhance business acumen and elevate their performance to the next level.

Average 8.5 years managerial experience

Average 13.6 total years work experience
