**LEARNING AND THE LEARNER** N. SUKUMAR GOWDA, 2015-07-01. The book in its new edition continues to discuss the processes and problems of learning in the triadic framework of learner, curriculum, teacher. The purpose of the book is to help the educators develop newer insights into the nature and problems of the learner and as a result to enable them develop their own approaches to teaching so as to improve learning. The phenomenon and the process of learning has been looked at in a comprehensive and integrated manner in this book. The concept of learning is discussed by positing its meaning in the wider context of school curriculum and education.
