Check the Marking Schedule

It is good to be aware of the marking schedule to see what your lecturer consider when marking your work. You will also get to know how the marks will be assigned. Thus, you can understand what you should focus on when writing the assignment. If you cannot find the marking schedule, you should check the assignment question in order to see whether the information is available there.

Things to Do

For this, think about the reference checking, what research you should do, writing drafts, reviewing and proofreading, etc. Break all these tasks into a list of tasks to do.
