The Complete Guide to Writing Effective College Applications & Essays for Admission and Scholarships Kathy Lynn Hahn, Colleen M. Loew, 2010 Book CD ROM Applying to college can be one of the most stressful times in a student's life. Not only are you faced with the task of finding the perfect school for you but you also have to find scholarships to be able to go to the school you want. These two intertwining obstacles require a lengthy application and a seemingly perfect essay. The essay topic is crucial to demonstrate your values, creativity, and depth of knowledge, and the writing is important because it reflects your power of persuasion, organizational skills, and style. This book will teach you how to write effective applications and essays for college admissions and scholarships, helping shoulder some of the weight of applying. This guide provides you with all the tools you need to complete your application and write a winning essay. You will learn how to choose a topic, keep your focus narrow, and personally edit and revise/tweak essays to use them on various applications; choose your tone and structure; avoid the common pitfalls; and how to overcome writer's block. The guide has sample essays and essay questions, and even examples of the essays specific colleges use. You will find those samples on the companion CD ROM along with brainstorming exercises and sample applications. Admissions officers have chimed in with their expertise to provide insider information on how to compose impressive applications and essays for admission and scholarships.

Scholarship Essay Winner's Guide Kyla M, 2023-07-06 YOU GOTTA HAVE THIS YOU NEED THIS FEAST THOSE SAVAGE EYES ON IT THE ALL MIGHTY DOLLAR Scholarship Essay Winner's Guide GET THAT MONEY was written for YOU. Whether you are an advanced writer or a writer like me with mediocre writing talents, this book is for you. When I was in high school, I was hesitant about applying for scholarships because in my mind, I knew that either my subject-verb agreement was not going to be up to par or that the scholarship committee was going to favor someone they already knew. Sure, there were some local scholarships that I know I should have won in which the scholarship committee favored someone else. On the other hand, there were a couple of local scholarships in which I did win, and as far as those state, national, and foundational scholarships, I GOT THAT MONEY JUST WRITE. This book is comprised of award-winning scholarship essays that I recently wrote during my junior and senior year of high school. When my high school counselor emailed to me my first scholarship application, I read over the application and saw that I met all of the qualifications. Then I saw the requirements, and one of them was to write a 1500-word essay. I very quickly shoved the application into my math folder and did not think twice about it. When I got home from school that evening, my mother, as she always does, asked me if I had homework. I told her that I did not have any homework. Between you and I, I did have homework, but I did not want to do it at that time. Ok, I was untruthful to her, but I did share with her that I had received a scholarship application and that I was not interested because I already had too much on my plate. She asked to see the document, and I gave it to her and went to my room and laid across my bed, thinking that I was getting ready to do what I do best: take a nap. Needless to say, she burst into my room and shouted, "Oh no, ma'am. Get up. You

gone apply for this scholarship I aint got no money to be paying for college and you definitely don t want to be getting all those loans or having to swing from pole to pole to pay for it To sum up the situation I ended up applying for the scholarship It took me a couple of weeks to get it all together and I must say that the toughest part was writing the essay However once I was finished it was like a weight lifted off my shoulders About a month later I received an email and a letter in the mail reading that I had won the scholarship The best part of this scholarship and several others that I received was that I was given a check with my name on it The check was not sent to the university in which I was planning to attend it was written and given directly to me about a month after I applied for the scholarship I used the scholarship money to purchase the new Air Jordan sneakers that I had been longing for JUST KIDDING I deposited it into my savings account and when I graduated high school I used it to purchase items for college My winning that very first scholarship was the motivational boost that I needed to move forward to apply for many more scholarships After that first triumph I knew that I could do it I started worrying the heck out of my school counselor Every week after that either my mother or I was emailing or asking if she had received any other scholarships in which I could apply Scholarships are the best way for teens especially high schoolers to earn money for their future My advice to you is to apply for as many scholarships in which you qualify to apply for Please do not sell yourself short You can do this You do not have to be an advanced writer that is why you ask at least two people preferably a teacher and another adult or friend who are proficient writers to proofread and assist you along the way like I did IF YOU LIKE MONEY LET ME HELP YOU GET THAT MONEY
