

How to Outline a Short Story

Turn your short story idea into a real work of fiction! Follow the guide below to plan your short story.

- Step 1.** Decide on a *protagonist*. The protagonist is your main character, and the person all the interesting stuff happens to.
- Step 2.** Decide on a *setting*. The setting is the place where your story happens.
- Step 3.** Decide on a *goal or problem*. This is what motivates your protagonist and creates the conflict that makes your story interesting.

You can think of a plot as an upside-down checkmark:

Your protagonist's name and description: _____

What he or she wants to achieve/avoid: _____

What happens at the climax (the most interesting part of the story): _____

What happens at the end: _____
