

Guided Imagery Script

Short Guided Imagery Script – Ocean of Clarity

Take a moment now to pause and center yourself.

Close your eyes and breathe in deeply... then gently exhale.

Imagine standing barefoot on a quiet beach. The sand is soft beneath your feet, warm and grounding.

In front of you, the ocean stretches wide and calm.

Waves roll in gently, one after another—steady, soothing, peaceful.

With each wave, imagine it carrying away your stress...

Washing it out to sea... leaving you clearer, lighter, more at ease.

A gentle breeze brushes your skin. The sky is wide and open above you.

You feel connected, calm, and centered—fully present in this peaceful moment.

Take one more breath of ocean air... and bring this clarity back with you.

Guided Imagery Scripts Children
