

The collapse of the Soviet Union

Name:

The collapse of the Soviet Union

The Soviet Union was a large country made up of many smaller countries. For many years, it had a strong government that controlled almost everything.

In the 1980s, people in the Soviet Union began to want more freedom and rights. They were tired of the strict rules and wanted better lives. Leaders like Mikhail Gorbachev tried to make changes, but it was not enough.

In 1991, the Soviet Union finally collapsed. Many of its smaller countries became independent. Russia became the biggest country to come out of the Soviet Union.

The collapse of the Soviet Union ended the Cold War and changed the world. It showed how powerful the desire for freedom can be.

Revision Questions

1. What was the Soviet Union?

2. What did people in the Soviet Union want in the 1980s?

3. Who tried to make changes?

4. What happened in 1991?
