A Companion to Ingmar Bergman Daniel Humphrey, Hamish Ford, 2025-02-25

The first book in English to address Ingmar Bergman's cinema through a broad array of classical and contemporary approaches. Widely acclaimed around the world from the mid 1950s to the early 1980s, Ingmar Bergman's films were often considered outmoded by the turn of the last century as exemplars of a long-gone European art cinema. However, in more recent years, his work has been reconsidered with fresh eyes, recognized as speaking to global audiences about ideas of contemporary relevance such as the dysfunctions of personal, romantic, and family relations, gender performance, and sexual identity, social engagement and alienation, questions of racial difference and power, living with and articulating challenges to mental health, and the causes thereof, questions of religious belief or values, and their secular replacements, the reality and guilt of Scandinavian and European privilege, and the challenges of morally vertiginous daily life for subjects born of ever-later modernity. *A Companion to Ingmar Bergman* brings together 32 original essays by established scholars and exciting new voices in the field. Representing a uniquely wide range of approaches in academic film studies and beyond, the chapters that make up the volume illuminate a body of work that changed the way cinema is created, defined, experienced, understood, and interpreted. Thematically organized into four parts, the Companion discusses gender exploration and self-representation in Bergman's cinema, draws evolutionary insights from *The Seventh Seal*, explores existential feelings and religious iconography in the early 1960s trilogy, journeys through the filmmaker's island landscape in the context of cinematic tourism, and much more. Throughout the book, hailing from a range of global contexts and backgrounds, the authors provide fresh insights into a deeply complex and challenging film artist, often from unexpected perspectives. An innovative mixture of new scholarship and fresh, updated employments of older approaches, *A Companion to Ingmar Bergman* examines Bergman's cinema through methodologies as diverse as Film Philosophy, Star Studies, Bisexual Studies, Tourism Studies, Transgender Studies, and Evolutionary Studies. Applies recent and contemporary theories such as Affect Theory, Queer Theory, and Neo-Formalism to Bergman's films. Delves into the director's early period in the late 1940s, 1950s, through his most challenging modernist period in the 1960s, and into the 1980s. Analyzes seminal films such as *The Virgin Spring* and *Cries and Whispers* from wholly new perspectives. Engages with films long considered problematic by commentators, plus unproduced Bergman screenplays including *All These Women*, *The Petrified Prince*, *Face to Face*, and *From the Life of the Marionettes*. *A Companion to Ingmar Bergman* is a must-read for advanced undergraduate and graduate film students, postgraduate scholars, college and university lecturers, and researchers, particularly those interested in the application of classical and modern approaches to the study of twentieth-century cinema, and Bergman fans around the world.

Soul Rubs Rouzier Dorcé Jr., 2024-10-28

Soul Rubs will make a lasting impression on the reader. The author, Rouzier Dorcé, does more than merely preach the sacred virtues of faith, forgiveness, charity, hope, gratitude, or peace. Rather, he extols those principles through

effective and poignant storytelling Rouzier's life experiences are told through those who impacted that journey The stories in Soul Rubs provide clear examples of virtues with God's awesome presence They speak of a boy who served angel duty when his grandfather passed away while resting on his chest They tell the story of a mother who taught the merits of charity hope and faith through example They also speak through these tales to the rich heritage of Haitian culture and of a people who continue to live hope fueled lives Amid times of aridity and disenchantment Soul Rubs exudes the true spirit of hope and faith and restores a commitment to those theological virtues *The Musical Herald and Tonic Sol-fa Reporter*, 1889 Literary Representations of Precarious Work, 1840 to the Present Michiel Rys, Bart Philipsen, 2022-01-03 Literary Representations of Precarious Work 1840 to the Present sheds new light on literary representations of precarious labor from 1840 until the present With contributions by experts in American British French German and Swedish culture this book examines how literature has shaped the understanding of socio economic precarity a concept that is mostly used to describe living and working conditions in our contemporary neoliberal and platform economy This volume shows that authors tried to develop new poetic tools and literary techniques to translate the experience of social regression and insecurity to readers While some authors critically engage with normative models of work by zooming in on the physical and affective backlash of being a precarious worker others even find inspiration in their own situations as writers trying to survive Furthermore this volume shows that precarity is not an exclusively contemporary phenomenon and that literature has always been a central medium to critically register forms of social insecurity By retrieving parts of that archive this volume paves the way to a historically nuanced view on contemporary regimes of precarious work Lifeblood John Brandon, 2018-06-26 Even mature Christians can have moments of spiritual apathy seasons when you just go through the motions and rely on your own strength to survive John Brandon's *Lifeblood* has the answer The power of the Holy Spirit inside you the lifeblood is the only way to bring about authentic spiritual growth In seven rich chapters John shares how tapping into the lifeblood will revitalize all aspects of your life If you want to transform how you view your Christian life and live radically for God this book is a must read
