Great Britain. Parliament. House of Lords, 2013 *Managed By Morons* James Lawther, 2023-09-04 The antidote to mediocre management read it and become a better boss Management would be easy if it weren t for the corporate claptrap that gets in the way the painful organisational rituals that do nothing for a business s success SMART goals are not smart the annual round of target setting is a management power game and employee performance management is for fools If it is such a great idea why don t you do

it at home Try telling your partner they are below standard and highlight their development opportunities Imagine how that would play out You don t need an Executive MBA to be a captain of industry Nor do you need to climb on the bandwagon of the next big thing Management by Objectives Best Practice Benchmarking and the Tao of Transformational Leadership have all been and gone though you might need some Artificial Intelligence to sift through all that Big Data There are easier ways to create flourishing workplaces James Lawther spent a third of a century in corporate Britain He has been taken for a ride by leadership gurus seduced by technology fleeced by management consultants and had his fair share of truly dreadful managers But he learned how to build a thriving organisation along the way There is no secret sauce and like all good things it is simple when you know how Buy this book and rediscover the obvious Your customers employees and bosses will love you for it
