Chapter 1 The story opening

What can you tell from this opening picture?

I *Peggy Sue*

I disappeared on the night before my twelfth birthday, July 28, 1988. Only now can I at last tell the whole extraordinary story, the true story. Kensuke made me promise that I would say nothing, nothing at all, until at least ten years had passed. It was almost the last thing he said to me. I promised, and because of that I have had to live out a lie, I could not sleeping.

Who do you think Kensuke is?

What has the author done to hook the reader at the start of this story?
