

Name the two rivers that run through the Fertile Crescent. How were the rivers both positive and negative to societies of the Fertile Crescent?

The two rivers that run through the Fertile Crescent are the Euphrates and the Tigris. The rivers are the reason that the region is referred to as "fertile". A fertile region is an area that produces healthy, sustaining vegetation. The negative aspect of the rivers was that flooding was common. Flooding could wipe out an entire years crop.

Henning, Michael G. Wade, Thomas Fisher, 2014-08-26 Understanding the conditions under which variability in performance may arise and the processes related to its emergence gives us insight into the development of techniques for improving the quality of performance This book introduces a comprehensive framework for understanding human performance variability in terms of how human control of behavior is closely tied to design factors in the performance environment Empirical evidence as well as practical examples and application areas introduced in support of this framework The book provides suggestions

on how individuals groups and organizations can significantly reduce variability in human performance that often leads to systems failures Arab Politics Michael C. Hudson, 1977-01-01 The first systematic comparative analysis of political behavior throughout the entire Arab world from Morocco to Kuwait In an attempt to explain why the Arab world remains in ferment Hudson discusses such crucial factors as Arab and Islamic identity ethnic and religious minorities the crisis of authority the effects of imperialism and modernization An impressive work of scholarship on the political culture and changing society of the entire Arab World The author gives us a good picture of each country as he pursues his general themes of legitimacy nationalism Arabism and the inevitable modernization Foreign Affairs Hudson has succeeded brilliantly in surveying and analyzing the entire range of contemporary Arab politics Library Journal Here for the first time is a really good general textbook of Middle Eastern politics Hudson has managed to provide detailed information about each Arab country within a sophisticated overall analytical framework which substantially explains the situation in each country
