Vol. 26: Medium-Format Photography: Getting Started Shawn M. Tomlinson,2018-10-17 Simply put medium format photography is quite a bit more complex than shooting with 35mm film SLRs or 35mm style DSLRs It takes a bit more skill and experience to handle medium format cameras Not only do you need to learn to think differently about how you shoot but you also have a whole new type of equipment to learn Medium format cameras produce bigger images which allows for more detail and greater enlargement And because they in general were designed for professional photographers the lenses tend to be of better quality than most 35mm lenses which also adds to the detail in the images In this book we ll take a look at medium format SLRs and TLRs and we ll even touch upon some other types We ll also consider a few lenses although these largely are a matter of choice And there are far fewer choices for medium format cameras than for other types Time to do some weight training and heft those medium format cameras and lenses into position Let s go

Design Your Own Book: Get Started on Your Journey to Self-Publishing Shawn M. Tomlinson,2016-01-07 You ve done it You ve finished your novel or memoir or how to or poetry collection etc Sit back Breathe a sigh take a drink light a cigar You ve done it Now what Usually an author is so exhilarated by finishing a book that he or she doesn t really think about what s next Sure there are those dreams of every publisher knocking at your door starting a bidding war for your manuscript and your book becoming a best seller over night And that can happen It does occasionally but more often the hard work still is to come This book is not for those authors who get an agent who gets them editors who convince their publishers to publish their books This book is for those intrepid souls who decide the only way to maintain control over their books and or to make more money per book than with a traditional publisher is to self publish

Tomlinson,2018-12-16 It has been a long strange road and probably has no end clearly in sight Many more books are in the works as I write this in early December 2018 For example I have published nine novels to date and am writing nine more with plans for some beyond that The Shawn M Tomlinson s Guide to Photography series has 29 titles in print with another five or six nearly complete and plans for 30 to 40 more I m also trying to rework and rearrange those books into omnibus editions by chronology and by theme I never will get every book done I want to do but it keeps me busy I always planned on putting out a catalog of all the

Zirlinson Books but kept getting waylaid for one reason or another until now This catalog is available as a print book in color
The color print book will be cost prohibitive for many people so there likely will be a black and white version available too
