Study Guide for Today's Medical Assistant - E-Book Kathy Bonewit-West, Julie Pepper, 2025-02-03 Get the most out of your Today's Medical Assistant Clinical and Administrative Procedures textbook with this practical study guide. With chapters corresponding to those in the textbook, this review provides the extra practice you need to master the clinical and administrative procedures performed by medical assistants. Each chapter includes a wide range of exercises, performance checklists, and a guide to the amount of practice you need to attain competency. Written by the textbook's author, this review tool provides everything you need to master all of today's important medical assisting skills. NEW Content alignment to 2022 CAAHEP Medical Assisting educational competencies helps you review and perform today's tasks at a level of accuracy and speed required of the entry-level practitioner. NEW review content includes exercises on telemedicine, vaccinations, COVID-19 protocols, Cologuard, eating disorders, managing reimbursements, and professionalism. NEW coverage of gloving and masking procedures helps to protect against COVID-19 and other infectious diseases. Variety of practice exercises includes matching, true/false, key terms, word parts, short answer questions, crossword puzzles, critical thinking exercises, and more. Chapter pretests and posttests help you to measure your mastery of the content. Laboratory assignment sheets call out each chapter's procedures and include performance checklists to help organize your study time. Practice for Competency sections include worksheets with a guide to performing each clinical skill. Critical thinking activities help you develop the judgment needed for real-life medical office situations. Perforated pages allow on-the-go review and make it easy to submit assignments.
