

FOOTPRINTS IN THE SAND

One night I dreamed I was walking along the beach with the Lord. Many scenes from my life flashed across the sky. In each scene I noticed footprints in the sand. Sometimes there were two sets of footprints, other times there were one set of footprints.

This bothered me because I noticed that during the low periods of my life, when I was suffering from anguish, sorrow or defeat, I could see only one set of footprints.

So I said to the Lord,
“You promised me Lord,
that if I followed you,
you would walk with me always.
But I have noticed that during the most trying periods of my life there have only been one set of footprints in the sand.
Why, when I needed you most, you have not been there for me?”

The Lord replied,
“The times when you have seen only one set of footprints in the sand, is when I carried you.”

Everyone Needs a Little Jesus In Their Life Every Day Kurt Wallace,2025-10-22 Have you ever wondered why the Bible seems so hard to understand Why would God who always tells us how much he loves us make us work so hard to grasp the concepts contained in his Word He really doesn t It just seems that way because Satan is constantly whispering in your ear like he did Eve in the garden that God is purposefully making things difficult Sometimes we equate reading with understanding Just because I read the US Constitution in high school doesn t mean I understand how to apply it Reading and understanding don t always go hand in hand Fortunately for us God put everything we need to know about him Jesus and the Holy Spirit in one simple verse that is twenty five words long and easily memorized by schoolchildren John 3 16 This book

takes this verse and breaks it down in easy to understand words and phrases explaining what God has done for us and why he did it My prayer is that this book will open the eyes of your heart warm your soul and draw you closer to God Bought Lessons Sylvia M.
