**Q2.** Read the passage given below and answer the questions:-

**[6]**

In the developing countries, girls lag behind the boys in education. A large number of them do not go to school. Even when they are enrolled, the burden of domestic work stands in the way of their educational progress. The single most important factor in their poor performance is the time and strain imposed by the girl child's work load close behind poverty and malnutrition. And perhaps the strongest tradition of all is the idea that sons should be educated because they will be the bread winners of their own future families and the supporters of their parents. Girl's work though it is harder is not considered to bring income. The daughter is considered to be a part of husband's family.

- (a) Who lags behind in education?
- (b) Why do the large number of girls not go to schools?
- (c) The antonym of strongest is \_\_\_\_\_
