Foiled Pleasured Pleased:

Foiled - Pleasured - Pleased Joan Vegas,1913-11-17 I rejected the idea of having another man in our marital bed but underneath I found it stimulating Shirley and Mel have been married for 11 years and have an awesome sex life Mel is especially innovative lingerie handcuffs and toys are a regular part of their sex play But when Mel suggests having another man in their bed is he taking their sexual adventure too far Shirley is usually up for some excitement but not this one Mel isn't easy to dissuade though because with blindfolds and restraints would she be able to tell if someone else worked her body to new levels of ecstasy while her husband watched The surprising answer is YES Shirley can tell But the bigger surprise She had such an erotic experience she may be changing her mind about having two men at the same time This book is a true report written by Shirley of Indiana in a letter to Joan Vegas For adults only Contains explicit details of sex between a woman and two men Includes blindfolds restraints and wife sharing SAMPLE One time while I was restrained Mel kiddingly told me that some night he was going to bring a group of motorcycle bikers to our bedroom to see enjoy and ravage your naked body while I was restrained Not funny I firmly told him But he replied Well not a group but I think it would be a kick to see another guy fill your pussy and give you pleasure I didn't comment That proved to be the first of numerous times during our love making that Mel would mention his fantasy of seeing some other man have sex with me The adult videos he brought home during that time tended to show two guys having sex with one gal He also brought home magazines that featured stories of two men one woman sex situations We read them together but I never expressed any interest in such sex play As a matter of fact SUGGESTED START OF SAMPLE I always told Mel that I could never see myself letting another man have sex with me I told him I just wanted him he was enough for me I was firm about rejecting the idea of having another man in our marital bed but underneath I did find the idea stimulating Then a little over two years ago Mel brought home a new sex toy a combination sleep mask blindfold That night while he had me restrained and was eating me he brought out the new toy He showed it to me telling me he wanted me to be deprived of vision to enhance my focus on the pleasuring sensations he was giving to my pussy He put it on me and tied it tightly I could not see anything not even any light from the edges He was right being deprived of sight allowed me to focus more intently on the pleasure he was giving me with his mouth tongue and fingers I found that I liked it However I also became more verbal as I reached peaks of pleasure As a result we limited that kind of play to nights when our son was visiting his grandparents That way I could let loose my expressions of pleasure without waking our son On about the third night that we shared this new blindfold game Mel had treated me to a couple orgasms with his mouth before he pulled away and said Now I'm going to let Fred bury his dick in your pussy and make you feel good
