

Active Learning > Compass Points

This activity will help your children understand compass points

Equipment needed:

- 1 compass to mark out the 4 compass points (north, east, south and west) and the corners of
- 1 compass for older KS2 learners marking out the above as well as north-east, south-east, south-west and north-west.

Instructions

- 1 Mark out the four corner points using the compass. Use a compass to ensure that the north corner is facing north. Each corner should be approximately the same size from the corner point.
- 2 Teach the children that the four main cardinal points can be remembered by learning a simple sentence such as, **N**oisy **E**aters **S**port **W**est.
- 3 A small group of children should stand in the corners of the compass points.
- 4 The teacher should then count out a central point for children to run to.
- 5 Once they have reached the corner, they can jog back to the centre to start again.

Extension Activities

- Add NE, SE, SW and NW for an additional challenge.
- Set up exercise cards of walk routes for children to complete.
