

	D. The <u>set</u> for the school play looked quite grand.	
VI	Answer ANY FOUR of the following in about 40-50 words each.	4*3=12
i.	Validate the given statement with reference to baby seagull's fear. 'Fear doesn't exist anywhere else other than one's mind.' <i>(His First Flight- Two Stories about Flying)</i>	3
ii.	Explain why the poet personally holds the conviction that the world will primarily end in fire? <i>(Fire and Ice)</i>	3
iii.	Valli's unique maiden bus ride experience could be possible because she belonged to a small village. Do you agree? Why? /Why not? (2 reasons) <i>(Madam Rides a Bus)</i>	3
iv.	Give one reason why 'The Tale of Custard the Dragon' is more a fable than a ballad.	3
v.	How can we say that Natalya was continuously successful in maintaining an upper hand during her arguments with Lomov? (Any one example) <i>(The Proposal)</i>	3
VII	Answer ANY TWO of the following in about 40-50 words each.	2*3=6
i.	Dr. Herriot knew his patients as well as their owners really well. Discuss. <i>(The Triumph of Surgery)</i>	3
ii.	State one likely reason the writer of <i>The Midnight Visitor</i> chose to characterise Ausable as short and fat.	3
iii.	Validate the importance of small, fun learning tasks towards successful careers, in the context of Richard Ebright in <i>The Making of a Scientist</i> .	3
VIII	Answer ANY ONE of the following in about 100-120 words.	1*6=6
i.	Mijbil and the Tiger, both were looked after by humans. Assume they both meet each other in the zoo and have a conversation about their lifestyle and feelings. Write this conversation as per your understanding of <i>Mijbil the Otter</i> and <i>A Tiger in the Zoo</i> . You may begin like this Tiger: Thanks for visiting me, though I don't usually like visitors. Mijbil: Oh? I would love visitors, I think.	6
OR		
ii.	"Not from weeping nor from grieving will anyone obtain peace of mind". If you had to use the message of the given quote from the Buddha's sermon (<i>The Sermon at Benares</i>) to help the boy cope with the loss of his ball and what it signifies (<i>The Ball Poem</i>), what would you include in your advice? Also, evaluate why it might be difficult for him to understand the notion.	6
IX	Answer ANY ONE of the following in about 100-120 words.	1*6=6
i.	Fiction writers prefer creating grey characters rather than black and white. Analyse this in detail, with reference to both the characters of <i>The Thief's Story</i>	6

English Board Of Studies:

English Studies Reinard Willem Zandvoort,1919 English Language Teaching: Issues and Challenges S. Udhayakumar,K. Vellaichamy, English as a global language plays a vital role in every one s life Students think that English language opens the door of the world for their future life But as an alien language the learners find it very difficult to understand the language Not only to understand but to read write and speak A social language may be learnt quickly as there are many chances to encounter with public people who speak this as their mother tongue or a community language But English is not a social language so all learners face difficulty This difficulty may be eased out by adopting different methodology for learning English language This could be possible only for educational institutions In India and non English speaking countries English could be learnt only in schools colleges and Universities So it is very important that methodology for English teaching should be often checked and updated Earlier chalk and talk method was adopted In due course it underwent many changes and it now has become student centric and the teacher has become a facilitator for the students in teaching learning process The classroom once a four wall room with a single board and small chalk piece has now become a smart classroom with white smart board and an electronic pen stick Even an LKG classroom is connected to the world and with one click the whole world comes into the classroom through internet services and displayed on the white board If Shakespeare is taught his manuscript of the text is displayed and his life is shown as a video film If the Universe is taught to the students the video of the Universe is shown and the real scientists are explaining the doubts of the students and they chat with the learners As we are living in such a modern and advanced period teaching methodology for English teaching should be updated to meet the challenges of today s world Education is the only way for the humanity to live happily and peacefully Education connects the whole world for the benefit of the human race which is not possible for animal beings and other creatures also In this process English language plays a crucial role and an edition of book chapters may benefit the student and teaching community to update the teaching methodology of English language So this edition is brought to fulfill the need of the current society Institute Board of Studies in English, 18th March 1967 Ahmadu Bello University. Institute of Education. English Board of Studies,1967 *Report* India. Calcutta University Commission,1920 The St. Andrews University Calendar for the Year ... Calcutta University Commission,1920 Calendar University of St. Andrews,1914 *Report* Calcutta (India) University commission. 1917-1919,1920 Research Methods for English Studies Gabriele Griffin,2013-09-13 With a revised Introduction and with all chapters revised to bring them completely up to date this new edition remains the leading guide to research methods for final year undergraduates postgraduates taking Masters degrees and PhDs students of 19th and 20th century

The Clause in English Peter Collins,David Lee,1999-05-15 The focus in this volume is on grammatical aspects of the clause in English presenting a fine balance between theoretically and descriptively oriented approaches Some authors

investigate the status and properties of minor or fringe constructions including deictic presentationals non restrictive relative clauses with that isolated if clauses and exceptional clauses In some articles the validity of conventional accounts and approaches is questioned such as traditional constituency trees and labelled bracketings as a means of representing relationships between parenthetical elements and their hosts or traditional morphophonemic analyses as explanations for Ross's doubling constraint While some authors question commonly made assumptions for example those concerning the relationships of clauses to sentences and propositions or those concerning the status of post head dependents in the NP others appeal to new frameworks for instance emergence theory is used as a source of inspiration in dealing with intransitive prepositions This collection also includes articles that adopt a solidly corpus based approach The Clause in English has been prepared by colleagues past and present friends and admirers of Rodney Huddleston in order to honour his consistently outstanding contribution to grammatical theory and description
