Good As Gold:

Good as Gold Joseph Heller, 1997 Dr Bruce Gold a forty eight year old Jewish professor of English faces the possibilities of being appointed to a high State Department position and being disowned by his family Good as Gold Judy Shelton, 2024-10-08 From financial crises to pandemic price spikes to recurring cycles of inflation everyone agrees the economy has seen better days But as soon as pundits and politicians start discussing economics things get murky Most books ask more questions than they answer Most books but not this one Judy Shelton Senior Fellow at Independent Institute former Chairman of the National Endowment for Democracy and critically acclaimed monetary economist has written a book with answers And not a moment too soon With clarity and moral courage Shelton charts the course to a brighter future She s one of the few economists bold enough to challenge the inflationary policies of the Federal Reserve emphasizing how today s policies enrich elites at the expense of you guessed it poor and middle class Americans This Shelton insists must end And it can end easily But Shelton doesn t stop there Her vision is for not only America but also for people around the world Global economic upliftment she insists need not come at the expense of domestic prosperity We can have both but not without a sound and stable U S currency And history is very clear on this point When the U S dollar is backed by gold America prospers and so does the rest of the world In this book Shelton casts a powerful vision that is as revolutionary as it is time tested a vision that shows how the future American dollar can perform as good as gold or even better But this is no curmudgeonly demand to return to the gold standard of yore Neither is it a demand to return to the Bretton Woods era Instead Shelton offers something new an explanation of how we can use gold for a new international monetary order Step by step she lays out how gold can provide a universal measure of value across borders create new financial opportunities and dramatically increase prosperity around the world If you care about the poor rich and everyone in between you have to read this book and discover how price stability functions as the foundation for productive economic growth how political freedom and economic freedom are fundamentally linked and how one cannot exist without the other how to reconcile the stability of America s domestic currency in a global context the proper role of government in the economy and much much more Writing with a sober but hopeful voice Shelton is no ordinary economist With grace intellectual rigor and unmatched passion this book is a must read for anyone invested in the future of the American and global economy You ll walk away with more answers than questions a rare experience for anyone who reads about monetary policy **Zack and the Validators: Good as Gold**

Wayne Hunt, 2011-09-02 This third book in a series continues the adventures of Zack a handsome and intelligent donkey and his donkey friends Zelda Willie and Pedro Zack and his three donkey friends are faced with a new problem Unless the horses on Mr Bumbys horse ranch join the farm animals at the new Donohue Historic Farm Center the center is not likely to be successful Believing that the horses have more talents than just running races Zack and his friends must find a way to discover those talents Again using one of Profound Pigs brilliant ideas Zack and his friends begin a new positive mission With

the help of Profound Pigs uncle Professor Pig they begin to teach the animals to look for the good in others The idea is to see a good quality or talent in another animal tell them about it and ask them to use it to help others With this new idea the horses do discover their other good talents and decide to use them at the new Donohue Historic Farm Center This new idea of Professor Pig is called validation of others It is so successful that it becomes the new mission of Zack and the Validators the name Zack and his donkey friends take on as a new singing group
