Topic: The Impoverished

Once upon a time, in a small village nestled in the mountains, food & clothing got scarce & many families were forced to starve or migrate to other parts of the world. One day, a group of people, while exploring their forest near their village, discovered a cave entrance. The entrance was covered with thick vines, but through some gaps, the glow of fire, and the sound of laughter.

As they entered the cave, inside behind a heavy door, a group of people were sitting, some eating, some playing games. They had food, clothing, and a warm fire. They had found a great treasure where the people were seated laughing on the ground. It had a broken wing and a broken leg.

Some carefully picked up the bird and smoothed it on their hands. They found that it was a very beautiful bird.

Remembering the tale, they decided to take the bird back to their home. Some wrapped the bird in a cloth and made a small nest for it in a hollow. One night, the bird flew out of the nest and flew to the top of the mountain.
