Nijssen, 2017-04-27 How do you sell an innovative product to a market that does not yet exist Entrepreneurial businesses often create products and services based on radically new technology that have the power to change the marketplace Existing market research data will be largely irrelevant in these cases making sales and marketing of innovative new products especially challenging to entrepreneurs Entrepreneurial Marketing focuses on this challenge Classic core marketing concepts such as segmentation positioning and the marketing mix undergo an extreme makeover in the context of innovative products hitting the market Edwin J Nijssen stresses principles of affordable loss experimentation and adjustment for emerging opportunities as well as cooperation with first customers Containing many marketing examples of successful and cutting edge innovations including links to websites and videos on the Internet useful lists of key issues and instructions on how to make a one page marketing plan Entrepreneurial Marketing An Effectual Approach provides a vital guide to successfully developing customer demand and a market for innovative new products This second edition has been thoroughly expanded with a one page marketing plan which now focuses on the three entrepreneurial challenges that can be easily adapted coverage of the customer development process and updated references and new examples This book provides students and entrepreneurs with the fundamental tools to succeed in marketing **In azione con Go Pro** Massimo Allievi, Vito Di Domenico, 2015-06-05T00:00:00+02:00 Video e foto da eroi immagini catturate in situazioni estreme inquadrature imprevedibili nel mondo c una sola parola per identifi care tutto ci ed GoPro Le piccole e resistenti videocamere dedicate all azione indossabili o applicabili sui pi diversi veicoli sono l ideale per gli amanti dello sport e delle imprese memorabili che desiderano rivivere e condividere in digitale i momenti pi belli delle loro avventure Questo manuale aiuta il lettore a ottenere il massimo dalla propria GoPro in qualunque situazione fornendo gli strumenti per capire al volo quale sia la confi gurazione pi indicata per ogni attivit Schede tecniche confronti e immagini mappa forniscono spiegazioni chiare delle funzioni della videocamera dell App GoPro e del programma gratuito di montaggio video GoPro Studio Largo spazio viene dato anche ai numerosi accessori dedicati che rendono la GoPro uno dei dispositivi di cattura video pi versatili in circolazione Black Ops Advertising Mara Einstein, 2016-09-01 From Facebook to Talking Points Memo to the New York Times often what looks like fact based journalism is not It s advertising Not only are ads indistinguishable from reporting the Internet we rely on for news opinions and even impartial sales content is now the ultimate corporate tool

Reader beware content without a corporate sponsor lurking behind it is rare indeed Black Ops Advertising dissects this rapid rise of sponsored content a strategy whereby advertisers have become publishers and publishers create advertising all under the guise of unbiased information Covert selling mostly in the form of native advertising and content marketing has so blurred the lines between editorial content and marketing message that it is next to impossible to tell real news from paid endorsements In the 21st century instead of telling us to buy buy BUY marketers engage with us so that we share share SHARE the ultimate subtle sell Why should this concern us Because personal data personal relationships and our very identities are being repackaged in pursuit of corporate profits Because tracking and manipulation of data make likes and tweets and followers the currency of importance rather than scientific achievement or artistic talent or information the electorate needs to fully function in a democracy And because we are being manipulated to spend time with technology to interact with friends to always be on even when it is to our physical and mental detriment
