7 Lazy Ways to Make Money Online Gaurav Modi, About This Book Let

s be honest most people don't want another complicated hustle. They want simple ways to earn money online without stress, confusion, or burnout. *7 Lazy Ways to Make Money Online* is written for exactly that mindset. This book doesn't promise overnight success or passive income fantasies. Instead, it shows real, practical ways people already use to earn money online using simple skills, basic tools, and smart systems. Here, lazy doesn't mean doing nothing. It means avoiding wasted effort and choosing methods that are easy to start, flexible, and realistic.

What You'll Learn Inside: In this book, you'll discover how microtask apps turn spare time into quick cash, getting paid to type and listen through transcription work, how to freelance using skills you already have, using AI tools responsibly to deliver simple services, drop servicing, earning as the middleman without technical work, turning your car into a passive income asset through advertising, building digital products and affiliate income that scale over time. Each chapter explains how the method works, who it's best for, realistic earning potential, pros and cons, simple action steps to get started, no fluff, no theory overload, just clear guidance.

Who This Book Is For: This book is perfect if you are a beginner with no online experience, a student looking for side income, someone with limited time or energy, tired of fake "get rich quick" content, looking for low-stress, flexible income options. You don't need special skills, a big investment, or a personal brand to start.

What This Book Is NOT: No income guarantees, no overnight success claims, no illegal or shady methods, no complex business setups. Everything inside focuses on legal, ethical, and realistic online income ideas.

Why This Book Feels Different: Most online money books either overcomplicate things or sell unrealistic dreams. This book keeps things honest.
