Civil Engineering and Urban Research, Volume 2 Hazem Samih Mohamed, Jinfang Hou, 2023-03-28 Civil Engineering and Urban Research collects papers resulting from the conference on Civil Architecture and Urban Engineering ICCAUE 2022 Xining China 24-26 June 2022. The primary goal is to promote research and developmental activities in civil engineering architecture and urban research. Moreover, it aims to promote scientific information interchange between scholars from the top universities, business associations, research centers, and high-tech enterprises working all around the world. The conference conducts in-depth exchanges and discussions on relevant topics such as civil engineering and architecture, aiming to provide an academic and technical communication platform for scholars and engineers engaged in scientific research and engineering practice in the field of urban engineering, civil engineering, and architecture design. By sharing the research status of scientific research achievements and cutting-edge technologies, it helps scholars and engineers all over the world comprehend the academic development trend and broaden research ideas. So as to strengthen international academic research, academic topics exchange and discussion, and promote the industrialization cooperation of academic achievements.
