And when they saw the golden porridge of the third bear...

Then Goldilocks sat down in the chair of the middle bear, and that was not right for her. And then she sat down in the chair of the smallest bear, and that was not right for her. And then she sat down in the chair of the big bear, and that was not right for her either. So she looked thoughtful, and then she sat on the floor of the chair, and then she climbed into the bed.

Goldilocks And The Three Bears

Once upon a time there were three bears, who lived together in a forest, in the middle. One of them was a little, baby bear, and one was a middle-sized, medium bear, and the other was a large, big, daddy bear. They each had a bowl of porridge, a little bowl for baby bear, and a middle-sized bowl for medium bear, and a large bowl for daddy bear.

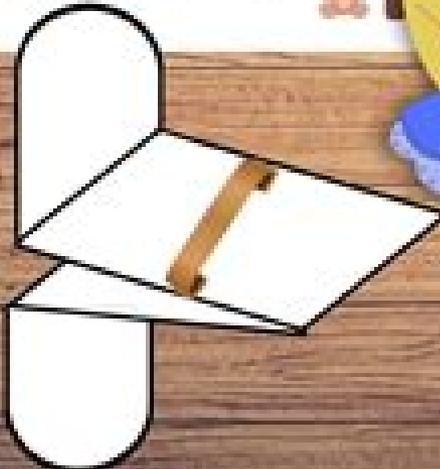

And they each had a chair to sit in, a little chair for baby bear, and a middle-sized chair for medium bear, and a large chair for daddy bear. And they each had a bed to sleep in, a little bed for baby bear, and a middle-sized bed for medium bear, and a large bed for daddy bear.

One day, after they had made their porridge for breakfast, and passed it over their porridge bowls, the porridge was very hot so the family decided to take a walk to see the wood where the porridge came.

While they were walking, a little girl called Goldilocks came in the forest. First she looked in at the window, and then she peeped in at the doorway, and looking nobody in the house, she opened the back of the door. The door was not locked, because the bears were glad to see who did nobody's business, and never suspected that anybody would leave them. So Goldilocks opened the door, and went in quite pleased and happy.

She looked the porridge on the table. It did not seem a bit warm, and she tasted a little of the porridge, and found it was just what she needed. She was glad to see it was so good. She was glad to see it was so good. She was glad to see it was so good.

But the porridge being so good, and she sat about looking herself. So first she tasted the porridge of the big daddy bear, and that was not hot for her. And then she tasted the porridge of the medium bear, and that was not right for her. And then she tasted the porridge of the baby bear, and that was not right for her either. So she looked thoughtful, and then she sat on the floor of the chair, and then she climbed into the bed.
